

PUBLIC AGENCIES

Partnering with Magical Bridge

Magical Bridge Foundation collaborates with cities, school districts, counties, and public agencies to bring truly inclusive, multigenerational play spaces to their communities. Our licensing model allows you to integrate our award-winning designs with your chosen landscape architect, ensuring a seamless process from planning to implementation.

HOW WE CAN HELP

- **Licensing and Design Integration:** We provide flexible licensing that allows your agency to work with the landscape architect of your choice, while ensuring the final design upholds Magical Bridge's award-winning standards of inclusion, accessibility, and community engagement.
- **Fundraising Support:** We help secure funding through a mix of public, private, and philanthropic sources.
- **Community Engagement:** We support public outreach and engagement to ensure the playground meets community needs and fosters local pride.
- **Programming and Activation:** We assist in launching inclusive programming including our signature Kindness Ambassador™ volunteer program to activate the space and strengthen its role as a community hub.

WHY CHOOSE MAGICAL BRIDGE?

- **Proven Track Record:** With 11 completed playgrounds and more on the way, Magical Bridge is a recognized leader in inclusive, community-focused play spaces.
- **Flexibility:** Our licensing model integrates seamlessly into your planning and design processes.
- **Community-Driven Impact:** – Magical Bridge creates community spaces that foster inclusion, civic pride, and lasting social connections across generations.

Ready to turn your open space into a community asset or replace typical playgrounds with a truly inclusive play space that welcomes the entire community? Contact us today to explore how we can work together!
